

# **Blakeley Heath Attendance Policy**

## STAFFORDSHIRE MODEL ATTENDANCE POLICY

This checklist is based on the Department for Education document ['School Attendance : statutory guidance and departmental advice' October 2014](#)

School Attendance Policies should include reference to the following whilst reflecting your school's own procedures. It is good practice to publish your attendance policy on your school website. Parents or carers will need to be regularly made aware of the terms of your policy – particularly with reference to the use of external agencies and your intended approach to the use of Fixed Penalty Notices or other parental measures to improve attendance. This includes parents/ carers of pupils who join your school roll mid year.

### Principles :

- Regular school attendance is the key to enabling children and young people to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.
- Promoting excellent attendance is the responsibility of the whole school community.
- This Policy should not be seen in isolation but is a strand that underpins all other policies related to the well being of children including safeguarding, behaviour, bullying, and support for children with medical needs.
- All children should be in school , on time, every day that school is open unless the reason for absence is unavoidable.

### School Responsibilities :

- We will promote positive behaviour and attendance through its use of curriculum and learning materials and will recognise good attendance appropriately.
- We will work with parents to resolve problems which may affect a child's attendance and will involve representatives of other agencies that work with the school such as the School Nurse or representatives of the Local Support Team such as Education Welfare Workers where required in order to ensure all children can benefit from consistently good punctuality and attendance. We will use the Early Help Assessment process to support this.

- We will be proactive in encouraging attendance for all pupils through ensuring parents and pupils receive information on the importance of good attendance and punctuality and will react swiftly to intervene to improve attendance of individual children should this become a concern.

### Parents or Carers Responsibilities :

- Parents have a legal duty to ensure that their children of compulsory school age attend school regularly.
- Inform school straight away if your child cannot attend and give the reason.
- Try to make medical, dental or other appointments outside the school day.
- Ensure the school is aware of any circumstances at home that may be likely to affect their attendance.
- Encourage good routines at home which promote a healthy lifestyle including enough sleep.
- Talk to your child about school and let the school know if your child is worried about any issues such as difficulties with homework or friendship problems.
- Do not book holidays in term time – this will only be authorised in exceptional circumstances.
- Seek advice from your G.P. if you are not sure how long to keep your child off school with an illness.
- Ensure school has all your up to date contact details.
- Encourage your child to enjoy school and make the most of all the opportunities available to them.

### The importance of good attendance and its link to attainment :

- The Department of Education has published research into the effect that missing time from school can have on chances of succeeding in tests and exams. [February 22<sup>nd</sup> 2015 Department of Education](#)). The research is based on data from all schools in England going back several years.
- The results are very clear – missing even small amounts of time from school can have a significant effect on achievement.
- For example, at the end of the 2012/13 Academic year 94% of pupils who were present all the time achieved 5+ GCSE A\* - C or equivalent. Where attendance dropped to between 85 and 90% only 75% of pupils achieved these results. This equates to an absence of around 1 week per year during Years 10 and 11 and clearly illustrates the impact of attendance on attainment.
- The same pattern is also seen at primary school level, where pupils missing up to just 14 days of school in key stage 2 (normally age 11) are a quarter less likely to achieve level 5 or above in reading, writing or maths tests than those with no absence.

### Admissions Register :

School keeps an admission register which records the date that each child joined the school and their personal details including those of their parents and of their previous school.

All schools (including academies) must keep a record of attendance register entries for at least 3 years and inform their local authority of any pupil who is going to be deleted from the admission register.

A pupil can lawfully be deleted from the admission register on the grounds prescribed in regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 where they ;

- Have been taken out of school by their parents and are being educated outside the school system e.g. home education (see below on home educated children);
- Have ceased to attend school and no longer live within reasonable distance of the school at which they are registered;
- Have a medical condition certified by the school medical officer that the pupil is unlikely to be in a fit state of health to attend school;
- Are in custody for a period of more than four months due to a final court order and the proprietor does not reasonably believe they will be returning to the school at the end of that period; or,
- Have been permanently excluded.

### Elective Home Education :

If school receives written notification from parents that they wish to home educate their child then we will inform the Local Authority via Entrust at [enquiries@entrust-ed.co.uk](mailto:enquiries@entrust-ed.co.uk) of the decision to remove the child's name from the admissions register. Whilst school will not seek to prevent parents from choosing to electively home educate their child, neither will they seek to encourage them to do this – particularly as a way of avoiding exclusion or due to a poor attendance record.

### Attendance data and targets :

The Local Authority does not prescribe individual school targets for attendance or persistent absence. School should include here a realistic but ambitious target for whole school attendance and persistent absence and may want to consider setting targets as part of its equality objectives for pupils with protected characteristics or other disadvantaged or vulnerable groups. At Blakeley Heath, our attendance target is 97%.

This data included for two terms is available annually for the previous year in October whilst full year data is not available until March of the next year. This two terms data appears in school Raiseonline reports. Full year data is important and provides the full picture of attendance patterns for the school.

### Definition of persistent absence :

Persistent absentees are defined as those pupils missing around 15 %or more of the typical amount of possible sessions across a given period. From September 2015 this definition will change to include pupils missing 10% or more of possible sessions. For the Academic Year 2015-16 only, data will be collected and published nationally for both measures to allow continued comparison. School will work alongside the local authority to take appropriate action, including fixed penalty notices, where there is concern over a child's attendance.

### School Specific Procedures

#### Contact with School

If your child does not attend school, parents should contact the school office at the earliest possibility giving child's absence. If a child is absent and no contact is made by parents, the school office will call or text parents. If an absence is nor reports or no contact can be made, a letter will be sent home requesting reasons for the child's absence.

The doors into school are closed at 9.00am, any child who arrive in school after this time should enter through the main office and will be marked as late in the register. The registers close at 9.30am and any child arriving after this time will not receive their mark.

#### Appointments

Medical and dental appointments should always be arranged outside the school day where possible. When children have an appointment, the school office should be informed by telephone or letter.

#### Unauthorised Absence

The Local Authority must be informed by the school of the absence of any child for a continuous period of 10 days or more without school's permission but school should involve the Local Support Team and take due regard of safeguarding procedures where absence of a particular child is less than 10 days but presents a cause for concern.

#### Monitoring Attendance

Attendance information including lateness is monitored at least monthly by the Headteacher and for some children, where attendance is a concern, weekly. Parents will be notified by letter if their child's attendance falls below 90%. If there is no improvement in their child's attendance, a meeting will be arranged with the Deputy Headteacher. A further meeting will be arranged with the Headteacher if there continues to be absences. The Headteacher will inform the Local Support team in Staffordshire where there are ongoing concerns over a child's attendance.

#### Attendance Rewards

Blakeley Heath reward children's attendance through weekly class rewards which are given out in assembly. 100% individual attendance is rewarded each term; children receive a certificate and the opportunity to win a gift card.

## Requests for Holidays

Under current guidelines, schools are not permitted to authorise absence for holidays unless there are extreme circumstances. Parents should put their request in writing and this will be considered by the headteacher and governors. If there is any doubt, school will seek advice from the local authority. On receipt of a letter requesting leave for holiday, a letter will be sent to parents explaining the decision. Where children do take a holiday in term time a G code is marked in the register. If absence is taken without notification a O code (unauthorised) is recorded. School will work alongside the local authority to take appropriate action, including fixed penalty notices, where there is concern over a child's attendance.

Blakeley Heath's attendance policy is reviewed annually by the board of governors. Attendance is reported termly at the full governing body.

- Use of Local Authority Fixed Penalty Protocol as a parental measure to improve pupil attendance in accordance with the Department of Education [School Attendance Parental Responsibility Measures Statutory Guidance January 2015](#)

## Legal Framework :

- The Education Act 1996 ;
- The Education (Pupil Registration) (England) Regulations 2006 and amendments 2010, 2011 and 2013
- The Education (School Day and School Year) (England) Regulations 1999;
- The Education Act 2002; and The Changing of School Session Times (England) (Revocation) Regulations 2011. ;
- Crime and Disorder Act 1998;
- The Anti-social Behaviour Act 2003;
- The Education Act 2005;
- The Education and Inspections Act 2006;
- The Education (Parenting Contracts and Parenting Orders) (England) Regulations 2007;
- The Education (Penalty Notices) (England) Regulations 2007 and amendments; and
- The Education and Skills Act 2008.
- The Equality Act 2010
