

Single Equality Policy

Overview:

The Single Equality Act combines three existing duties into one new Equality Duty that covers all nine of the equality strands: age, disability, gender, gender-identity, race, pregnancy, maternity, religion or belief and sexual orientation.

At Blakeley Heath Primary School we will ensure that at every level, in all our work and throughout all aspects of the school community and its life, all will be treated equally.

Objectives:

1. To ensure that all learners have equal access to a rich, broad, balanced and relevant curriculum and to foster good relations between all people.
2. To advance equality of opportunity by ensuring that teaching, learning and curriculum promote equality, celebrate diversity and promote community cohesion by fostering good relations.
3. To eliminate any discrimination, harassment and victimisation. To ensure that no-one is unfairly or illegally disadvantaged as a consequence of their age, disability, gender, gender-identity, sexual orientation, colour, race, ethnic or national origin, disability or religious beliefs.
4. To ensure that those with management responsibility and individual members of staff, accept responsibility for planning teaching, learning and curriculum apply this policy to all we do.
5. To ensure that learners and parents are fully involved in the provision made by the school.
6. To ensure that within the school budget, adequate funding is provided to underpin this policy and that intervention, positive action and preventative action is funded where needed.

Strategies:

1. Monitoring, evaluation and review carried out by the Leadership Team will ensure that procedures and practices within the school reflect the objectives of this policy.
2. Parents and governors will be involved and consulted about the provision being offered by the school.
3. Teachers will ensure that their planning, teaching and learning takes account of this policy and they will see that the equality duty underpins all their work.
4. The diversity within our school and the wider community will be viewed positively by all and this diversity will be recognised as a positive, rich resource for teaching, learning and the curriculum.
5. CPD opportunities will be provided for staff, to raise awareness of their Equality Duty and provide them with the knowledge, skills and understanding they need to meet the requirements of this policy.
6. Active contributions will be sought of parents and others to enrich teaching, learning and the curriculum.
7. The positive achievements of all pupils will be celebrated and recognised.

Single Equality Policy

Outcomes:

This policy will play an important part in the educational development of individual pupils. It will ensure that all pupils are treated equally and as favourably as others. The school will make all the reasonable adjustments necessary to promote equal opportunity and equal treatment of all members of our school community. We are committed to meeting the individual needs of each child and we will take full account their age, disability, gender, gender identity, race, religion or belief and sexual orientation. Having 'due regard' at this school means consciously thinking about the three aims of the Equality Duty as part of the process of decision-making.

This policy will be reviewed regularly to take account any changes which may be required. All stakeholders will have access to this policy either via the school office or website.
