

Knowledge Organiser- Year 1

Moon Zoom

Summer 2

History:

Our significant person for Moon Zoom is Neil Armstrong.

Neil Armstrong was an American astronaut. He was the first man to walk on the moon on 20th July 1969.

D&T:

In D&T we will be designing, making and evaluating our own moon buggies.

A moon buggy was used to transport astronauts on the surface of the moon.

It had 4 wheels that could move easily over the dusty surface of the moon and a chassis which held some of the equipment the astronauts needed.

Science : Seasonal changes

In the United Kingdom there are four seasons, Autumn, Winter, Spring and Summer.

The weather and hours of daylight are different depending on the season. In Summer we have more daylight and longer days and in Winter we have less daylight and shorter days.

Knowledge Organiser- Year 1 Moon Zoom Summer 2

Music :

In music we are going to explore beat and rhythm using body percussion and instruments.

We will be looking at the rock band Bon Jovi, who formed in New Jersey in 1983.

Key Vocabulary

seasons	In places like the UK, there are four seasons each year, autumn, winter, spring and summer .
spring	In spring , the weather starts to get warmer. The leaves begin to grow on the trees and some trees may blossom (have flowers). Plants begin to grow and you may see baby animals like lambs around. The daytimes start to get longer.
summer	In summer , the weather gets hotter. The daytime is long and the nights are short. Summer has the longest days. The trees are full of leaves and there are lots of flowers, bees, butterflies and other insects.
autumn	In autumn , the weather begins to get colder. The leaves start to fall from the trees. The amount of daylight becomes less. This means the daytimes are shorter and the night times are longer.
winter	In winter , the weather is much colder. Sometimes it is cold enough to freeze, leaving frost and ice on the ground. It sometimes snows. Many trees have bare branches as all their leaves have fallen off. The daytimes are the shortest in the year and the night times are the longest.
